- Hospitals

## WORDS OF KINDNESS

"Kind words bring life!" Proverbs 15:4

A world full of kind words is a world full of life! It is so important to make people feel loved and full of life by sharing kind words.

In the gospel of John, we are told that Jesus is the "word." He is the kindest word we can share with anyone!

Before you begin serving, make a list of as many kind words as you can think of!

Now make a list of people you want to share that kindness with!

Remember, your kind words can bring life!

# CARDS OF KINDNESS

"In a world where you can be anything, be kind."  
Crafts are always fun, but they are even more fun when you are making them for someone else!

God has given you so many incredible gifts, and one of those is to be creative! Use that gift to make something that will brighten someone's day. Use as many colors and craft supplies as possible!

## Step 01

Get a stack of blank cards and some craft supplies (already made cards are fine too, just a little less fun to decorate)

## step 02

Take the list of people you wrote down and address all your envelopes

## Step 03

Decorate your cards and write something kind in each of them

## Step 04

As you seal up every envelope, say a prayer for the person who will be getting it

## Step 05

Send us a photo or video!
